### Outcomes

- Teachers and Teaching assistant able to lead PE lessons if required with skills learned from observing S4A and seeing planning/assessment outcomes.
- Early years use Pennine Play set daily and it is visibly supporting balance, risk taking, working as a team.
- Visit from Aiden Syers was inspirational. At least 3 children have since taken up a sport following his visit and the positive mindset he shared made a significant difference to many children's view on their abilities.
- Skip to be Fit- whole school focus on skipping led to increased participation and significant money raised for the Quicken Trust as children exceeded skipping targets.
