

Personal Development & Character Education- growing to become the Padbury Child

Our vision is for children and adults in our school to shine as lights before others so that we can all be the best that we can be. We want children to leave us being able to tackle the challenges of the world outside, believing in themselves and knowing that they can make a difference, however small if they continue to shine their lights. We believe our leavers can take their Padbury Values out into the world and make a positive contribution in everything they go on to achieve.

Our curriculum is carefully planned so that pupils can develop their personal development skills. Our curriculum extends beyond the academic and supports pupils to develop in many diverse aspects of life. We aim to provide the essential knowledge that pupils need to be educated citizens, preparing pupils for their adult life and, teaching them to understand how to engage with society.

We offer opportunities for pupils to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of other cultures.

At the end of Year 6 a typical Padbury pupil:

- Understands their achievements and can articulate how they have **let their light shine** during their time at Padbury.
- Lives out the **Padbury values of love and kindness, respect, self-control, courage, and trust.**

For each of these values, this is what we will see:

Our most important value is Love & Kindness <ul style="list-style-type: none">• I help others and look after younger children.• I care for our school and the world around me.• I try to make things fair for everyone.• I look for ways to make someone's day better.		Courage <ul style="list-style-type: none">• I try new things, even when they feel challenging.• I keep going when learning is tricky.• I ask questions and stay curious about the world.• I am brave when talking about my feelings.
Self-Control <ul style="list-style-type: none">• I make good choices, even when no one is watching.• I manage my feelings in a calm and brave way.• I reflect on my work and try to improve it.	Trust <ul style="list-style-type: none">• I can be relied on to do the right thing.• I am honest and speak the truth kindly.• I show others they can count on me.	Respect <ul style="list-style-type: none">• I treat everyone kindly, even if they believe or need different things.• I work well with others and listen to their ideas.• I use technology safely and sensibly.• I share my thoughts politely and clearly.

Specific adjustments for SEND pupils in purple.

	Whole school culture	Reception	KS1	Y3,4	Y5,6
Understands their achievements and can articulate how they have grown during their time at Padbury.	<p>Celebration assemblies weekly reiterate successes academically, socially and how following the values has been important to others. Pupils reflect on their successes in end of year reports.</p> <p>Best You Can Be Book highlights successes outside school.</p> <p>Discussions with pupils showing them how they have been learning in ways beyond the academic. 1-1</p> <p>TA check ins with a focus on successes</p>				
Lives out the Padbury values of love and kindness courage, self control and respect.	Mapped out in detail below as values underpin everything we do at school.				
<p>Self-Control</p> <p>I make good choices, even when no one is watching.</p> <p>I manage my feelings in a calm and brave way.</p> <p>I reflect on my work and try to improve it.</p>	<p>Seen across the school through zones of regulation.</p> <p>Individual toolkits for some.1:1 conversations to support emotional regulation as required. Circle of friends. Collective worship. Behaviour policy used in reflective discussions where all emotions are valid.</p> <p>PSHE curriculum units on Physical health and wellbeing and mental wellbeing</p> <p>Lessons where children go back and improve their work as part of the learning process.</p>				
<p>Courage</p> <p>I try new things, even when they feel challenging.</p> <p>I am brave when talking about my feelings.</p>	<p>Ethos in school that we keep trying, mistakes are a way in which we learn as well as thinking about other's feelings and emotions when we share success. Our lights all shine in different ways and while we might shine in one way, others will shine in another.</p>				

<p>Respect</p> <p>I treat everyone kindly, even if they believe or need different things.</p> <p>In accordance support plans, pupils are given prior warning of events and teaching is visual.</p>	<p>Collective worship is inclusive and invitational.</p> <p>Collective worship covers events in and around the world and reflects on others needs.</p> <p>Celebrating difference is a PSHE topic across the school.</p> <p>Challenging stereotypes questions.</p>	<p>Social stories shared</p> <p>Big questions encourage thinking about others and their needs.</p> <p>Special person weekly.</p>	<p>RE-Judaism units</p> <p>Church visits</p> <p>World music</p> <p>Visitors/visits to places of worship.</p> <p>Challenging stereotype questions</p>	<p>RE – Hinduism units RE - Judaism units</p> <p>Support for certain children seen as positive and respected.</p> <p>Challenging stereotype questions</p> <p>PSHE To know that families are varied in the UK and across the world.</p>	<p>RE: Islam Hinduism</p> <p>Wonderwall</p> <p>Blurt cubes/ resources for allowing all to achieve successfully being respected.</p>
