

Padbury Church of England School PE and Sport Premium Reporting 2025-2026

The PE and sport premium is government funding provided to primary schools to enhance their physical education (PE) and sports provision. This funding aims to improve the quality and breadth of PE and sport, encouraging healthy, active lifestyles among pupils. Schools use this money to make sustainable improvements to their PE, sport, and physical activity offerings, building capacity within the school and ensuring long-term benefits for all pupils.

On this page, we share about the funding from 2025-2026, how it has been used and the impact. If you have any questions about PE or sports at school, please speak to Mrs McFarlane - Headteacher.

CPD Spending

The Sports Premium Budget aims to improve the provision of physical education and encourage a lifelong love of sport in pupils. Our allocation of this budget focuses significantly on Continuing Professional Development (CPD) Spending. We are privileged to collaborate with Sports 4 All who play a pivotal role in enhancing our staff's skills and the overall PE experience for our pupils. S4A provides tailored sessions that not only engage students but also allow teachers to accompany

them. This partnership enables our teachers to gain hands-on experience and acquire new coaching techniques that can be integrated into their teaching practice. Furthermore, the provision of inter school tournaments allows for S4A to upskill their coaches. These tournaments promote essential values of teamwork and sportsmanship.

Internal Spending

Regarding Internal Spending, we are dedicated to offering a wide array of extracurricular activities for children across Early Years Foundation Stage (EYFS), Key Stage 1 (KS1), and Key Stage 2 (KS2). The replenishment of existing equipment and resources is continually evaluated to ensure students have access to quality resources.

Next Steps for 2026/2027

Looking ahead to the 2026/2027 academic year, we aim to widen opportunities for children to develop play at playtimes and lunchtimes. We have invested in the OPAL programme which will support children to widen their play experiences and use their imagination to develop their play. We will also continue to network with other local schools to increase opportunities for all to participate in competitive sport. We aim to continue raising awareness of professional athletes, sports people to inspire and encourage children to follow their dreams and believe in their abilities. Special attention will be given to encouraging girls' participation in sporting activities, thus fostering an inclusive environment.

In summary, the effective utilisation of the PE and Sports Premium Budget will enable our school to enhance the physical education experience for all students while firmly establishing a culture of health, fitness, and inclusivity.
